

IBM Capstone Project: Applied Data Science Capstone

The best borough to open a Russian restaurant in Greater London

By Akshat Runwal

June 2021

n Goal

main goal is to find the best borough
Greater London to open a Russian
restaurant

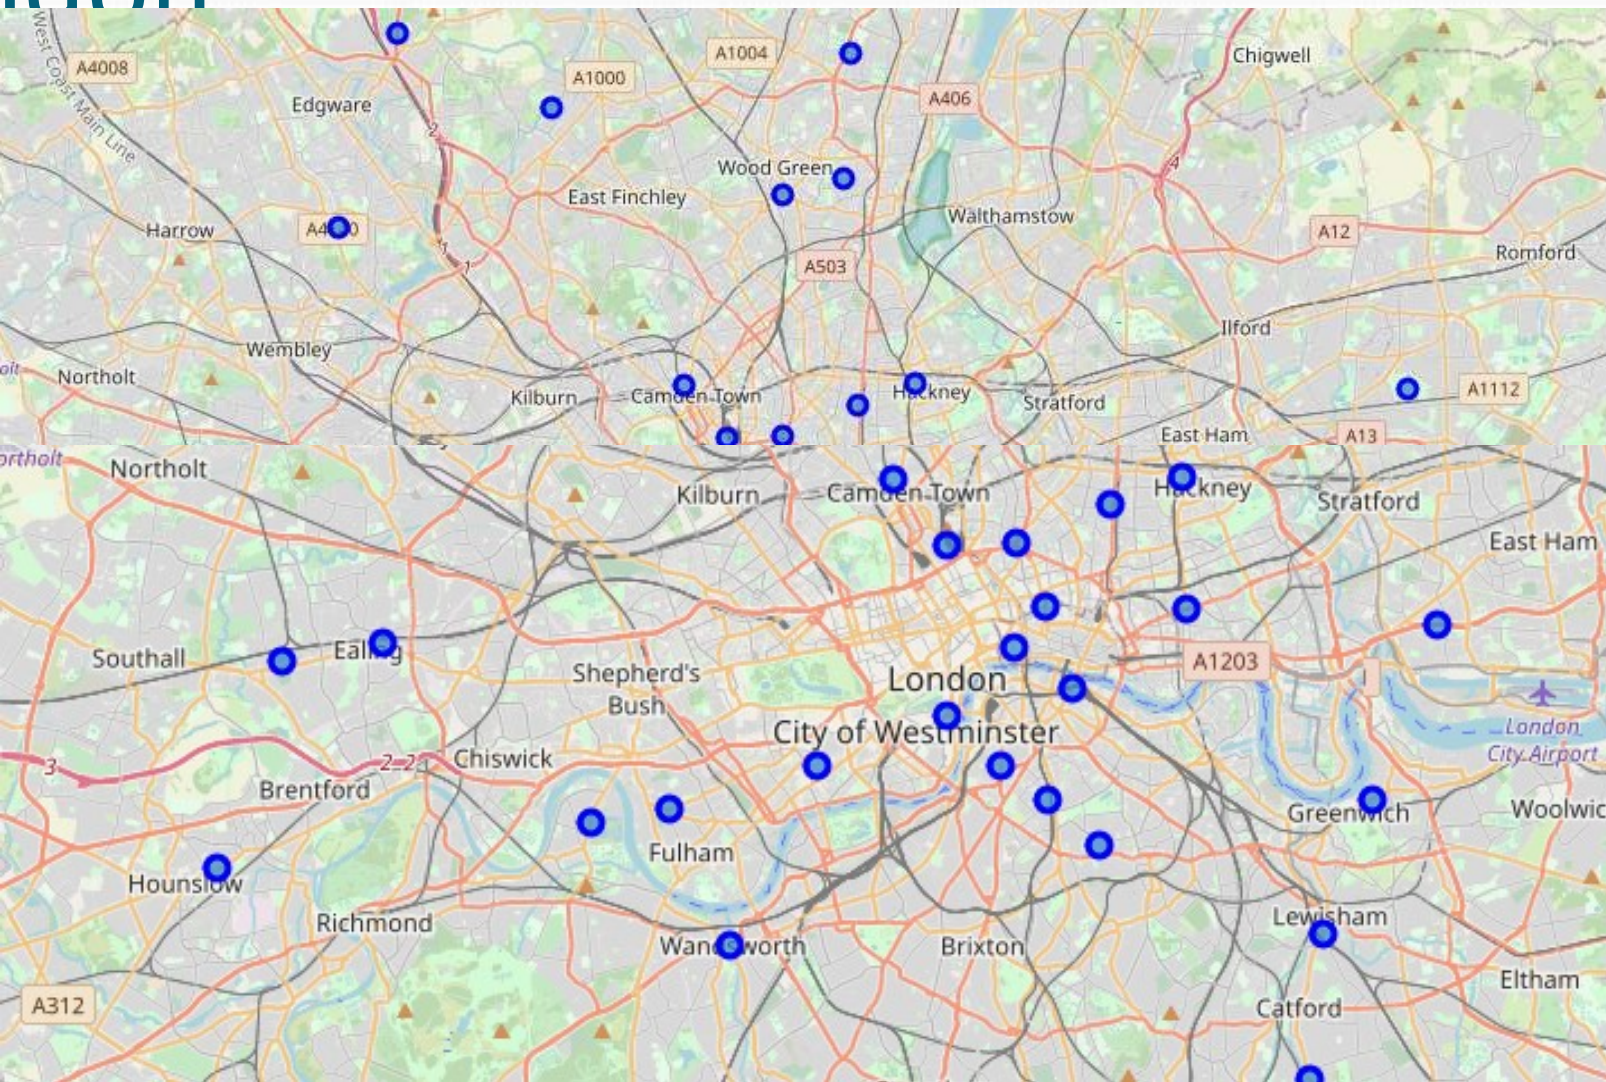

lytic approach

Find boroughs with 'a center of attraction'. A lot of restaurants is good!

Avoid boroughs with existent Russian restaurants;

Select clusters are similar to boroughs where Russian restaurants are located.

Greater London Boroughs and City of London

- 1600 square km
- 9 million people
- 33 government council areas
- multicultural city
- tourism
